Capital Woman Is Fatally Injured In Summit Car Crash

Others Injured When Car Leave Highway Near Norden

Mrs. Mary B. Gibson, 75, wife of a prominent Sacramento businessman, was killed, her husband, Beverly, 73, and two other injured in an automobile accident at Norden Monday morning at 6:45 a.m.

The injured, including Mrs. Clara Isham, 60, and Mrs. Genevieve Anderson, both of North Sacramento, were taken to the Tahoe Forest Hospital by Truckee ambulance for treatment.

The accident occurred when the car driven by Gibson got off onto the shoulder of the highway in the gravel and the driver lost control. The vehicle plunged across the highway and down a 20-foot embankment and came to rest on its top 150 feet from the road.

Mrs. Gibson was crushed under the overturning car. The body was taken to the Truckee Colonial Mortuary where Coroner Alvah Hooper was making the investigation.

Gibson is head of the Gibson Lines, a Sacramento transportation concern and is prominent in northern California business life.

A son arrived Monday to be with his father.

The Gibsons and their guests had been spending 10 days at the former's summer home at Brockway, Lake Tahoe, and were en route home when the mishap occurred. State Patrolman Martin Sturcke made the investigation.

200 SQUARE DANCERS ENJOY LOCAL AFFAIR

Over two hundred square dancers met in Truckee last weekend for two big dances. The Friday night party of the Donner Dancers was enlivened by some 40 guests, most of whom are residents of the East Bay and North Bay area of California.

Saturday evening the clubs in the Concord and Napa districts were the host groups for a "knothead" dance. Twenty-seven squares of eight people attended, filling the Veterans Hall completely with dancers.

Five clubs from Contra Costa County, five clubs from Napa County, three from Sonoma County, two from Vallejo, two from Reno, plus clubs in San Rafael, Sacramento, Oakland, Woodland, San Francisco, Placerville, Truckee, Kings Beach and San Diego were represented.

One hundred thirteen people qualified for the first time for "knothead" pins. These were square dancers traveling in groups of at least four couples over 100 miles to the dance. A large number of the dancers were already wearing these wooden pins.

The Donner Dancers meet again tomorrow evening in the Veterans Building for their weekly party. President Darol McGihon announced that an instructoin class for beginning square dancers will start at 7 p.m. with the regular dance session to start at 8. All visitors are welcome and both the instruction and the party are free.

CARL PAINTERS ARE HONORED AT PARTY

The silver wedding anniversary of Mr. and Mrs. Carl Painter was celebrated with 60 friends of the well known local couple in their Gateway Park home Tuesday evening, between the hours of 7 and 11 o'clock.

An open house was arranged by Mesdames Norma Highfill, Frank Quilici, Stanley Zwarg to fete Mr. and Mrs. Painter who were presented with a gift to mark the enjoyable event. Refreshments were served by the hostesses to those who arrived to include their felicitations.

Unable to join their parents, Willard is stationed at Washington, D.C., and Howard left for Japan after being home three weeks ago. Both young men are in the navy.

EXTRA PATROLMEN IN LAKE DISTRICT

CARSON CITY—Superintendent Robert Clark of the Nevada Highway Patrol warned motorists extra patrolmen will be assigned to the Lake Tahoe area this summer, particularry to enforce speed limits.

Clark said a resident patrolman will be assigned to the lake area until after Labor Day and as many as six patrolmen will be in the region in peak traffic periods.

Speed zones will be enforced from Crystal Bay on the north shore the entire lake distance of State eRoute 28 and on U.S. Highway 50 north from Stateline.

Birthdate At Boot Camp—

David Eaton, son of Mr. and Mrs. Harry Eaton, returned from U.S. Naval Reserve Boot Camp at San Diego. While in training young Eaton observed his birthdate on June 21.

In Disneyland—

Mr. and Mrs. C. M. Armstrong and son, Mike, returned this week from a trip to Disneyland.

Swimming Classes For Children Will Start Here Monday

The schedule for the first day of the Red Cross swimming instructions at Beacon Hill Lodge will be July 8 with Dan Holub as the instructor for the beginners of six years through high school and including life saving lessons.

Children having colds or who do not feel well are asked not to attend. Mrs. Fred Pedley said that slips to be signed by the parents will be given those children who have not already turned them in.

The bus schedule has been given as follows:

Intermediates, swimmer and life saving—leave Truckee at 8:15.

Beginners, 8 years and older—leave Truckee at 9:15.

Beginners, 6 to 7 years—leave Truckee at 10:15.

The school bus will pick all children up at the following places:

Truckee Elementary School.
Gateway Park.
Meadow Park.
Donner Lake.

The courses are being given with the cooperation of the local branch of the American Red Cross and the high school, the latter providing the transportation.

New D.A. Wins Two Local Court Cases

District Attorney Harold Berliner has won his first two cases in the Truckee Judicial District Court.

Both involved motorists who were charged with crossing a double line and in both instances the defendants demanded and received jury trials.

Last Wednesday, John Tucker of Berkeley was in court after a plea of not guilty and following the trial at which Deputy District Attorney Leo Todd prosecuted, the defendant was found guilty and fined $53.

The following day, Lionel W. Johnson, Truckee, appeared before a jury in the court of Judge F. W. Wilson and following a rather lengthy hearing with Berliner prosecuting, the same sentence was meted out by the court—$53.

UPHOLSTERERS WILL SERVE THIS DISTRICT

A new and needed industry has started in this region.

Ray S. Hattrup of Sacramento will manage the Lake Tahoe Decorators & Upholsterers at Sunnyside Lodge just south of Tahoe City, providing a local service at city prices and with guaranteed work. An ad on another page of the Sierra Sun today provides the details.

Hattrup, who is associated with a Sacramento firm of upholsterers, has been engaged in business at Auburn for a number of years.

The new concern asks that they be called for estimates by residents throughout the Lake Tahoe and Truckee area.

SMALL FIRE SERVES AS FOREST WARNING

With the long Fourth of July weekend in prospect, Henry Toccalini, supervisor of the Tahoe Nation Forest Service here said they are taking all precautions and making preparations to prevent fires in the wide spread area.

Last Saturday evening a blaze was started beyond Kings Beach, obviously by a careless smoker and fortunately no damage resulted.

For the season until Tuesday of this week there have been five fires started by man, four by lightning.

BIDS WILL BE OPEN FOR MARTIS WORK

A reinforced concrete box culvert will be constructed at Martis Creek four miles southeast of Truckee on Federal Aid Secondary Highway 1245 (Truckee Shortcut) under terms of a contract offered for bids today, District Engineer Alan S. Hart announced in Marysville. The bids will be opened in Sacramento on July 31.

One abutment of the present bridge has been undetermined and has tipped. The crossing is now being used on a temporary basis after emergency repairs.

The new structure, and its approaches, will be constructed to a width of 32 feet under provisions of the contract and a channel change made in Martis Creek.

To accommodate traffic a short detour will be constructed around the culvert construction, Hart said.

Contractors Cited On Registration Of Vehicle Charge

Test Case In Local Court Looms; 13 Vehicles Are Involved

An interesting trial has been scheduled for July 17 in the Truckee Judicial District Court when Gibbons & Reed, contractors, four-laning U.S. Highway 40 between here and the Nevada Stateline are defendants in a case involving motor vehicle registration.

Sgt. Frank Snyder of the California Highway Patrol has cited 13 heavy construction vehicles being used by the contractors for not having registrations.

The defendants charge that they are not operating the vehicles on the highway, but actually are in the process of building a highway with the equipment in question. The state contends that the highway exists and that the vehicle owners are in violation for not having registration certificates.

The concern is a Utah company and evidently did not have the equipment registered in that state since agreement exists between California and other states wherein a foreign registration in California is valid until the end of the year in which it was issued.

District Attorney Harold Berliner is preparing the case which promises to prove an interesting point.

STATE ASKS BIDS ON ROADS AT DONNER

The improvement of 0.65 mile of roadway in Donner State Park near Truckee will be accomplished under terms advertised for bid opening on July 18 in the District III office, California Division of Highways, Marysville.

Under the contract, the present roadway surface will be graded and shaped, a prime coat applied, and the road finished with a blanket of plant-mixed surfacing. District Engineer Alan S. Hart said the work is being done to improve access to camp sites and service areas in a portion of the park.

THREE ARE HELD ON DELINQUENCY COUNT

Three young construction crew employes are being held on charges of contributing to the delinquency of two young girls, aged 13 and 14, who were taken into custody by Deputy Sheriff Emery Lander Sunday morning after a drinking party near here.

Later the two girls are alleged to have taken their parent's car without permission and were being sought.

The men, James Hue Halstead, 20, Englewood, Colo., Dale Joyce Henderson, 18, Walch, Colo., and Leo Leslie Edilnor, 21, were taken to Nevada City Sunday by Lander and Deputy Roy Waters for questioning by District Atotrney Harold Berliner and Probation Officer Floyd Ponds.

SCHOOL BOARD TO MEET ON TUESDAY

The governing board of Tahoe Truckee School District will meet Tuesday. A review of the expenditures, a discussion of portable classrooms and a decision on student and athletic insurance for the coming year will be on the agenda.

The board will also approve a tentative budget and discuss the education of kindergarten children from other districts.

At a special meeting July 1 of the board Reg Smart was unanimously elceted president of the board and Byron Miller was chosen as vice president. Jack Felte was named as the board clerk.

LAKE LEVEL

TAHOE CITY—With 46 csf of water leaving the gates at Tahoe City, the level of Lake Tahoe on Monday stood at 6229.01 feet. The temperature at Tahoe City during the week ranged from 43 to 77 degrees.

Open Home—

The Tahoma house of Mr. and Mrs. Ralph Peer of Los Angeles has been opened for the season.

Going East—

Mrs. Dee B. Osborn, local kindergarten teacher, will leave from Reno this week for a trip east and plans to return here about August 10.

License To Wed—

Hady Levie, 38, of Truckee and Geraldine Kelly, 36, of Reno were issued a marriage license at Reno.

SUNBEAMS

By WALTER M. BARRETT

The long weekend ahead can provide lots of fun or lots of sorrow depending upon the people involved and their methods of finding enjoyment. There will be more cars on the highway than the highway was made to accommodate and so careful driving will be a "must." Warm weather, too, may bring dangers. Swimmers are cautioned to follow all rules applicable to swimming, particularly in chilly lake water. Boat operators are again warned of the law protecting swimmers and smaller craft. There is danger, too, in the dry forest lands, where a careless smoker can start a disastrous fire with one careless toss of a match or burning cigarette. These warnings are not intended to dampen the fun which should come during the observance of Independence Day, but are issued so that enjoyment will not be turned into tragedy. Drive carefully, use care in the water and prevent fires. Have fun and enjoy the Fourth.

Fireworks Slated Tonight at Lake

The Truckee and Donner Lake areas tonight will join in the observance of the Fourth of July with a fireworks display about midway along Donner when President Rex Reid and Earl Stice will preside on the raft from which the pyrotechnic exhibit will be launched.

Everyone is invited to see the display and this year it is being arranged so that it can be witnessed from all sides of the lake.

The Donner Lake Development Company is opening its beach at the west end between 6 and 11 p.m. so that those who wish can observe the show from there.

The display will begin just as soon as darkness makes it possible to show at the best advantage.

OFFICIAL VISITOR TO MEET WITH LODGE

Mrs. Rex Reid will preside at the Naomi Rebekah Lodge, No. 2, which will hold a formal meeting July 10 at 8 o'clock when the district deputy president, Hazel Browning of Esther Rebekah Lodge at Grass Valley makes her official visit.

Renovation of the I.O.O.F. Hall was voted at the June 26 meeting. Refreshments were served by Mesdames Reid and M. Avila.

FISHERMAN FINED IN COURT AT TAHOE

TAHOE CITY — David Berwick of San Rafael, was cited this week by Game Warden Irv Single and appeared before Judge Harry Charrison in the Tahoe Judicial District Court on a charge of fishing in closed water. He was sentenced to pay a $100 fine, $25 of which was suspended.

CASES ARE HEARD IN COURT AT LAKE

TAHOE CITY — Cases disposed of this week in the Tahoe Judicial District Court by Judge Harry Charrison included:

C. W. Hall, itinerant, arrested by Deputies Jerry Rabisarda and Angelo Chiaratti on a charge of petty theft and being drunk, was sentenced to 30 days in the county jail.

David Earl Winters and Mike English were sentenced to 30 days in jail on a charge of reckless driving in Kings Beach and Tahoe Vista. An investigation is being conducted.

Elton Loren Hubbs of Bijou, was being held under $500 bail on a drunk driving charge and has demanded a jury trial. He was charged by Maynard Hostetler of La Mesa.

Leave for North—

Heslin Cardinal arrived this week from his new division of highways location at Eureka and returned with his family. Mrs. Cardinal, who resigned her postion at the post office, has been replaced there by Mrs. Henry Toccalini.

Insurance Agents Form Association To Write Policies

School Insurance Provides Incentive For Local Association

Insurance representatives in the Tahoe - Truckee Unified School District are in the process of forming an association, which they plan to incorporate for the purpose of being able to carry policies for major clients such as the school district.

Under the plan, as explained by Fosten Wilson, the group will participate as individual companies with the best qualified low bidder handling the policies.

It is also planned to set up a program wherein the school and other major subscribers can make annual payments and at the same time procure maximum protection.

The matter was presented at the last meeting of the school board with several agents appearing to explain the plan. The school board expressed a desire to cooperate but urged that immediate action be taken as some of the policies now carried are expiring in the near future.

Wilson said that Mrs. Ruth Rockholm is acting as temporary secretary of the association which will be organized in the near future. In the meantime, local agents are renewing the policies as they come due.

TWO TEACHERS ARE EMPLOYED AT LAKE

The resignation of Dan Holub, a teacher at Tahoe Truckee High School, was accepted by the governing board at the June meeting. Two elementary school teachers, Charles R. Mack and Vernon J. Reynolds, were employed for the coming year. Both will be employed at the Lake Tahoe schools.

Mack is coming from Maricopa and Reynolds from Palo Alto.

The board also renewed the contract with John Corbin as district superintendent.

Fontana's Laundry was awarded the contract for laundrying the schools towels during the coming year. There were two other bids submitted and service and price were taken into consideration in awarding the contract.

PUBLIC INVITED TO BALLET AT SCHOOL

A group of young ballet dancers under the direction of Lillian Keber of San Carlos, vacationing at Norden, plan to give a show Saturday, July 6 at 8 p.m. in the Tahoe Truckee High School cafeteria to which the public is invited.

Graduates of the group have become members of theater casts, Metropolitan Opera and San Francisco ballet companies.

The girls who will be included in the coming attraction are Judy Baron, Cecily Keber, Phyllis Nelson, Karen Mulhall, Christine Storti, Nidel Clair, Lillian Keber, Jr., Mary Bottemiller, Jane Wheeler, Claire Ricklefs, Kerry Linfoot, Betty Nelson, Christine Cannata, and Mary Zahara.

OLD HIGH SCHOOL IS DAMAGED BY BOYS

Two Truckee juveniles have admitted damaging the interior of the old high school, following questioning by Deputy Sheriff Ehery Lander.

Lander said the two young boys admitted spreading lime over the contents of the building and damaging the walls, floors and contents. Entrance was gained through a broken window, Lander said.

TRUCKEE RIVER IS FEATURED ON BOOK

A picture of the Truckee River, in a mantle of snow and warm winter sunshine, graces the cover of the new telephone directory for Lake Tahoe.

Delivery was scheduled for July 1, according to Pacific Telephone manager, George Selkirk.

He noted a total of 4600 books will be delivered. More than a ton of paper went into production of the directory.

Selkirk called special attention to the front pages of the book. These include police and fire departmentemergency numbers, together with service information.

The 1957 alphabetical listings total 2889. This shows a gain of 339 over the 196 figure.

Fire Hazard Cited As Critical; Warns Of Forest Dangers

A joint appeal made today by State Forester Francis H. Raymond and Regional Forester Chas. A. Connaughton cautions the vacationing public of critical fire hazard and need for extra care with any fire in our forests and rangeland areas of the state.

"The past two weeks of hot dry weather has hastened development of mid-summer critical forest fire danger throughout the state. Spring rains gave us a lush growth of annual grasses which now are masses of dry flash fuels. Several large fires have occurred during the past few weeks. However numbers of fires to dates are slightly less than last year at this time. Increased public cooperation in care with fire is the only way that numbers of man-caused fires can be held down, the foresters said.

A record-breaking number of vacationists are expected to seek the enjoyment and relaxation that our mountain vacation lands offer during the July 4 weekend. Extra caution is necessary as each visitor is a potential risk. Each must guard against the moment of carelessness that can destroy a forest.

Foresters Raymond and Connaughton said their respective fire fighting organizations which provide fire protection for more than half the area of the state are manned and equipped for fast attack on any fires that do occur. The aerial tanker squadron of Stearman bi-planes has been increased to nine and are now radio equipped for increased effectiveness and safety. They are ready to move to any part of the state to assist ground forces in quick control. At least five larger air tanker (converted navy torpedo bombers) are to be added to the air attack forces within the next month.

Donner Museum Bill Gets Approval

Two of four bills of vital interest to this area failed to get out of the legislature during the recent session, but two made the grade and now await disposal by Gov. Goodwin J. Knight.

A bill to provide a new highway at Emerald Bay died in the assembly and a similar measure to have the state take over the Kings Beach cutoff as a secondary state highway also failed passage.

However, a bill by Senator Harold T. Johnson of Roseville for a $200,000 appropriation for construction of an interpretive center at Donner State Park cleared both houses and now awaits the signature of Governor Knight. A similar bill was introduced at a previous session calling for $150,000 for the museum, but the money was diverted into land acquisition at the last minute and the long-awaited museum was again delayed.

Another Johnson bill to prevent the state fish and game commission from closing any part of the Truckee River in California to legal fishing also passed both houses and is now on the governor's desk. This bill was designed to prevent closing sections of the stream to all but users of artifical lures, a matter which for the past two years has considerably disturbed local sportsmen.

Last year the section from Truckee to Boca was closed to bait fishing and this year the portion from Floriston to the Nevada stateline was so closed.

Senator Johnson was here this week to advise local interests of the action taken in locally sponsored bills.

Dancer Will Entertain At Meeting Of Wyethia

Rene Hall, a well known dancer visiting relatives here during the summer, will entertain members and guests of the Wyethia Club at the meeting Friday evening at 8 o'clock in the clubhouse.

Mrs. Ray McCarty, president of the club, announced that plans are being made for the observance of the 30th anniversary of the organization and that details will be announced later.

All members and visitors are invited to the meeting tomorrow.

To Visit Here—

Mr. and Mrs. Ralph Snavley are expected here this week to visit with the latter's parents, Mr. and Mrs. P. Petroni and local friends. Snavley, who is in the navy, is being tranferred from Washington to Honolulu for further service.

Olympic Group To Take Legal Action To Acquire Land

Meeting Scheduled Monday As Negotiations For Land Fails

The California Olympic Commission will meet Monday, July 8 at 10:30 a.m. in the office of the chairman in San Francisco to take action to condemn 32 acres of privately owned land in Squaw Valley to make possible the 1960 Winter Olympic Games.

The meeting is being called by Chairman Charles R. Blyth following a breakdown in negotiations with Mr. and Mrs. Wayne Poulsen to obtain a narrow strip of land adjoining the Olympic site belonging to the Poulsens and required as a ski jump runoff.

While legal action will seriously delay actual construction of the Olympic facilities, scheduled and ready to be started during June, the door is still open for negotiations, following Monday's deadline given the Poulsens to determine whether or not they would willingly turn over the 200 by 700-foot runoff area.

Meets Request

Blyth, at a meeting of the commission June 20 in San Francisco, complied with a request by the Poulsen attorneys to allow them 10 days instead of a week to make up their minds regarding the agreement. This made Monday, July 1, the deadline and the absolute maximum of time permitted to get the building underway.

Saturday Thoreau contacted the Polusen's attorneys and was advised that they would not accept the agreement. Later they called him in San Francisco to say they would accept but with certain restrictions.

Monday came and went and although Blyth remained in his office specifically to meet with the contesting parties, neither the Poulsens nor their attorneys put in an appearance.

Costly Delay

"The commission now faces a costly and serious delay." Blyth declared. Already too much time has elapsed without work being started and Prentice Hale, chairman of the organizing committee, has indicated that unless work can be well underway this summer, facilities will be seriously curtailed. Contracts are ready to sign and builders are ready to move in but the state is helpless to proceed under the present status, Hale declared.

15-Month Squabble

Negotiations for a small area of privately owned land in Squaw Valley, declared necessary, have been continuing for the past 15 months and stalemate after stalemate has been reached. The recent action of the legislature in providing the right of eminent domain makes condemnation possible, but the commission has been hopeful that such action would not be necessary.

In the meantime, work is expected to start soon on the Papoose Peak ski lift, the state having entered into a contract with the Riblet Tramway Company of Spokane for this item. The cost will be $147,000. Papoose Peak is a portion of the land leased to the state by the U. S. Forest Service and has no connection with the land needed from private owners.

Attorneys "Shocked"

Samuel Shenk and Archibald McDougall, attorneys for the Poulsens, issued a statement which concluded with:

"We received, with shocked surprise, word today of the commission's decision to commence eminent domain proceedings against Poulsen's land. As their attorneys we have no choice but to advise them to resist such proceedings, and if necessary to test their legality and constitutionality before the highest courts in the land."

Blyth Statement

Blyth's statement in part follows:

"In view of the failure of Mr. and Mrs. Poulsen, or their represenatives, to even to meet with me Monday, it now becomes imperative for the commission to take the steps necessary by other means.

"The state legislature at its last session provided the means to acquire the necessary property at a fair price, so that the games could be staged on schedule, and I will ask the commission to convene at the earliest possible date to initiate the appropriate action."

KING PINS TO HOLD DANCE AT TAHOE

The King Pins, members of the Truckee Tahoe Car Club will hold a dance July 6 from 8 until 12 in Carpenters Hall at Kings Beach.

Mrs. Fred Pedley and mothers of the group's members will serve refreshments. All are welcome to attend the initial affair.

At Weimar—

Rex Thomas, Truckee jeweler, who has been receiving medical treatment here and in Nevada, went to Weimar Sanitorium on Monday for further treatment.

Birthdate—

Lauren Russell celebrated his birthdate June 28th. Their anniversary date was June 30th.

NOTICE OF TRUSTEE'S SALE
No. 460853

On Monday, the 22nd day of July, 1957, at the hour of 11 o'clock A.M., of said day, at the main entrance to the County Court House, Nevada City, County of Nevada, State of California, the undersigned, California Pacific Title Insurance Company, a corporation, as trustee, will sell at public auction, to the highest bidder, for cash, in lawful money of the United States, all payable at the time of sale, the following described real property, situated in the County of Nevada, State of California, and described as follows, to-wit:

PARCEL No. 1: A portion of the Southwest quarter (SW¼) of Section Twenty-three (23) Township Seventeen (17) North, Range Fourteen (14) East, Mount Diablo Base and Meridan, described as follows:

Beginning at a point in the South line of State Highway (U.S. Highway 40) as delineated upon the plans of the Survey between ½ mile West of Soda Springs and Donner Summit, Road III-Nev-Pla 37-B as said plans were approved on September 19, 1936; from which point the quarter corner on the West line of Section 23, Township 17 North, Range 14 East, M.D.B. & M., bears North 51.99 feet; and running thence along the South line of said Highway on the arc to a curve to the left whose radius is 1040 feet, said arc being represented by the chord whose bearing and distance is South 87° 35′ 30″ East 310.23 feet; thence along the South line of said Highway North 83° 50′ East 226.52 feet to the West line of the property described in deed of Jones to Vail, recorded October 18, 1946, in Book "107" of Official Records, at page 333; thence along the West line of said Vail property South 6° 10′ East 97 feet, more or less, to the North line of the Central Pacific Railway right of way; thence Westerly along the North line of said railway right of way a distance of 548 feet, more or less, to the West line of Section 23, thence Northerly along the West line of said Section 23 a distance of 133 feet, more or less, to an angle point in the South line of said Highway; thence North along the South line of said Highway a distance of 10.18 feet to the point of beginning.

PARCEL No. 2: All that certain property being in the Southwest quarter (SW¼) of the Northwest quarter (NW¼) of Section Twenty-three (23), Township Seventeen (17) North, Range Fourteen (14) East, M.D.B. & M., described as follows, viz:

Beginning at the Southwest corner of the lot herein described, a hub set flush in the ground on the Northerly right of way line of the State Highway, from which the point for the quarter section corner between Sections 22 and 23, Township 17 North, Range 14 East, M.D.M., bear South 85° 40′ West 472.93 feet; thence North 6° 10′ West 250.00 feet to the Northwest corner of the lot herein described, a pipe 1 inch in diameter, thence North 83° 50′ East 137.90 feet to the Northeast corner, a nipe 1 inch in diameter; thence South 6° 10′ East 250.00 feet to the Southeast corner, a hub set flush in the ground on the Northerly right of way line of said State Highway; thence South 83° 50′ West 137.90 feet to the Southwest corner, the place of beginning.

Said sale will be made without covenant or warranty regarding title, possession or encumbrances to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by BRANT M. CHAPLAIN AND DORIS S. CHAPLAIN, his wife, trustors, to CALIFORNIA PACIFIC TITLE INSURANCE COMPANY, a corporation as trustee, for the benefit and security of JOHN L. SCHMIDT, dated June 10, 1955 and recorded June 16, 1955, in the office of the County Recorder of the County of Nevada, State of California, in Liber 210 of Official Records at page 337 (2311).

Dated June 4th, 1957.

TAHOE YACHT CLUB PLANS BUSY SEASON

TAHOE CITY—Summer schedule for members of the Tahoe Yacht Club has been announced here this week. Officers of the club are J. Philip Murphy of Piedmont, commodore; A. G. Stetzner, vice commodore, Piedmont; J. Allen Bray, Oakland, rear commodore; Stanley Good, Jr., Atherton, post captain; and Secretary-treasurer R. Randolph Walker, of San Francisco. Randy last year completed his second term as commodore, the youngest in the yacht club's history during its 32 years of existence. He is 24.

The Tahoe Yacht Club last year enjoyed its largest membership on record, 86 now belonging. Something new of interest was added also by the family of E. L. Oliver, one of the founders of the organization who passed away in 1955. It is a lovely "Bank and Go Back" memorial trophy, commemorating for all time the novelty race which he so much enjoyed, and won many times in "Let's Go."

On July 6th the club's annual business and planning meeting will be held at New Chambers' Lodge, starting at 9 a.m. in the morning. On August 3rd and 4th the club's water ski carnival will get under way at 9 a.m., trials to be held on Saturday, August 3rd. Last year there were 44 entrants, and this year's entry list promises to be even larger assuring the public of plenty of excitement.

On August 24th the club's annual luncheon will take place at New Chambers' Lodge at noon. At this time new officers will be elected for the ensuing year and outstanding business matters considered.

On August 25th the big annual regatta of the Tahoe Yacht Club will get under way at New Chambers' at 9 a.m. and run until around noon. This event has been run every year, excepting the war years, since 1925 and is one of Tahoe's most thrilling competitions.

Last year the junior outboard races were inaugurated for all youngsters 20 years, or under, for all types of outboards. There are six classes for boys and girls too. There will be two contests this season, the first at Obexer's, Homewood, on July 28th, 9:30 a.m., the second at Sierra Boat Company, North Tahoe, same time. Trophies will be awarded 1-2-3 place winners, and a high point trophy will be given the winner following the races at the regatta August 25th.

NEW COLLEGE GROUP TO ORGANIZE SOON

AUBURN—The new governing board of Sierra College, created by voters last January, will organize in Auburn on July 1 to succeed the interim board appointed in February by Albert F. Bequette, county superintendent of schools.

Scheduled to be sworn in are Richard A. Lee of Lincoln and William O. Francis of Auburn, three-year terms; Herbert T. Perry of Penryn and Willard H. Dietrich of Roseville, two-year terms, and Harold M. Welch of Truckee, one-year term.

It will mark complete independence for the college, originally formed by the Placer Union High School District in 1914, operated through 1921, discontinued, and finally re-established in 1936 and in continuous operation since that date.

The new district will include all of Placer County, that portion of Nevada County situated in the Tahoe-Truckee Unified District; and fragments of El Dorado and Sacramento counties contained in the Placer Union High School District or the Roseville Union High School District.

Three trustees, Francis, Welch and Dietrich, with Architect Gordon Stafford of Sacramento, Superintendent Harold M. Weaver, and Albert Bequette, county superindent of schools, returned from a three-day inspection trip of new junior college plants in central and southern California.

Trustees have set a bond election for October 18, but have not indicated the amount to be requested, nor probable location of the new college site and plant, to be designed for 1000 students.

They will rent existing facilities from the Placer Union High School District for the college year 1957-1958.

NOTICE OF HEARING

Notice is hereby given that the Nevada County Planning Commission will hold a public hearing at 7:30 p.m., July 16, 1957, in the Supervisors' Room at the Courthouse, Nevada City on the application of John Fred Bartucco, for a use permit for a trailer park on lots 1 and Block 1, Kingvale subdivision No. 1.

NEVADA COUNTY PLANNING COMMISSION j4

Mr. and Mrs. E. S. Bowers of Berkeley are at Tahoe City for the season.

STRICTLY STRICKLAND

By Bill Strickland

Was talking to Bill Cardwell yesterday and was told that the Sugar Bowl is going to rebuild the Magic Carpet. A Swiss firm is supplying the materials, which will include a single cable, instead of the two now required, thirty-six, four-passenger Gondolas plus all of the other smaller items necessary. The maximum capacity will be 600 passengers per hour. That is about equal to the average chair lift load; so you can readily see itwill be a very efficient operation. The Sugar Bowl caters to about 100,000 customers every winter, so access is a big item. The Carpet, two duoble chair lifts, two rope tows, a deluxe lodge, a skiers' chalet plus about 60 homes has made quite a settlement. It has come a long way since the days of the Southern Pacific's Snowball Specials, the "Cat," pulled sleighs and the old "Burma Road." Time slaloms on.

* * *

California license plates with the letter prefix of AJH are the ones issued to residents of Highway 40, Truckee, and the Lake Tahoe region. As long ago as 20 years, the local residents and business people started campaigning for four lanes. About eight years ago Bill Board started appearing showing a long line of cars behind a slow-moving truck and the words, "Make This Four Lanes." "Write Your Congressman Today." It now appears that Highway 40 will very soon be a four-lane freeway from San Francisco to Reno. The campaigning by the locals for these many years has finally borne fruit. But do you know who is complaining the loudest and most vociferously about the sometime 40-minute delay that is unavoidable? Yep, people driving cars that bear AJH license prefixes. Egg in their beer, too!

* * *

Some of the people working on the Floriston section are locals. "Chico" Marin, Nick Sassarini, Shorty Harris. Bob McKnight who is one of the top ski instructors in the winter season. Jack Peterson is the state resident highway engineer. His folks have a house just across the road from us here at Soda. John Hunt is the state engineer on the job the second shift. The superintendent is not a local, but we want to mention him because of his easy disposition and friendliness. Just like his name, Ed Jolley. The road will be open without restrictions for five days over the Fourth. Starting Wednesday at 3:30 p.m. until Monday, July 8th at 6 a.m. Heed those 25-mile an hour speed limit signs, and the no passing signs. They were installed for your protection. They should be observed by the workmen on the job as well as the traveling public. Happy Fourth of July.

Tahoe Items

Miss Diane Shaver who is taking a business course in Sacramento has been visiting her parents, the Red Waddells of Kings Beach.

Dr. and Mrs. G. Bruno Fuessel of Pasadena will stay at Homewood until after the first of September.

Mrs. May E. Steele wrote that she is arriving from Sacramento to stay at Homewood.

Mrs. Georgeann Kraus, widow of Frank Kraus of Sacramento will be married Wednesday in Trinity Cathedral in the capital city to A. M. Mull, Jr. The couple will later embark for London where he will attend the American Bar convention and they will also visit her son, Marshall, with the U.S. Navy in Japan.

NEWS NOTES FROM TAHOE

By Naomi McLane
(Tahoe City, Box 711. Ph. 246-J)

The Fourth

One hundred and eighty-one years ago our forefathers brought forth a new nation. It is certainly a date to be honored and remembered and we do, sometimes without very much thought. A hundred slow-moving westward years had to pass before Lake Tahoe was found and the oldtimers put the water into it. We are grateful to them too and find ourselves wishing for the vitality and ingenuity in meeting problems which they seemed to have. Probably their first rule was: do not mourn over the past. Get one with what is to be done now. So let's.

Rotary Meet

The last meeting of the Rotary year was held June 25 in the Tahoe Inn. Seven charter members were honored at this luncheon meeting and a gold Rotary pin set with a diamond was presented to the retiring president, Steve Korich. President-elect Warren Porter will take over gavel duties with the first meeting in July.

Fred Main gave a most interesting talk on the forthcoming Mile High Gold Cup races. Main was just returned from Lake Chelan in Washington where he had attended the Apple Cup races which he described as actually a tuneup for the Lake Tahoe event on July 20 and 21. He said there is a feeling of reciprocity in the North because of the increasing number of fast racing boats in California and there is talk of forming a West Coast Gold Cup Circuit to include Lake Washington, Lake Mead and Lake Tahoe. Main described the Lake Tahoe races as the greatest yet. Five thousand reserved seats are practically all sold, going in blocks of 30 and 40. Seats and all other concessions will be handled by professional caterers. Almost all resort accommodations on the north end of Tahoe are sold out with requests still coming in, say several resort owners here. It is estimated that as many as 50,000 persons will view the races. Transportation to Tahoe will be augmented by airplane, helicopter and Greyhound bus. Several planes have been chartered in Washington and special buses will run from Sacramento, the bay area and Reno. Professional photography will be supplied by King Television and NBC. Helicopters will fly film as shot to points for processing, said Main.

Church Activities

With the summer season church activities take prominent place. Charles Bearsdley has given me the summer program for the Outdoor Chapel and it is listed here for your reference. On July 7 the Rev. Albert Colbourne will conduct services; July 14, the Rev. George Goederham; and on July 21, the Rev. Gordon Ashbee. July 28 should be noted especially. Bishop Noel Porter will give his retiring message that day. In the afternoon a meeting to honor the bishop will be held at the chapel. Anyone who would like to help in any way with arrangements for this occasion should get in touch with Bearsdley at Juniper 3-3329. Beginning next week Bearsdley will conduct an intensive inquiries class to study the tenets of the Episcopal Church so that those who so desire might be confirmed by Bishop Porter at his last service. Phone the above number if you are interested in this class.

The first three Sundays in August will be conducted by Bishop Haden and August 25 will see the Rev. Gordon Ashbee in the pulpit again. On September 1 Bishop Haden will return and on September 8 Mr. Herman Rauh.

A full camp program is underway at Camp Noel Porter in the forest just adjoining the Outdoor Chapel. Bearsdley would like to announce that local youngsters are most welcome to attend the camp of their age group. Arrangements can be made through him for attendance and a reduced fee for day time alone. Age group dates are as follows: High school, July 6-13; grades 9 and 10, July 13-20; grades 8 and 9, July 20-27; grades 7 and 8, August 3-10; grades 6 and 7, August 10-17. Each camp begins with supper the first day and closes with lunch on the last.

The Rev. John L. Karutz, pastor of the Tahoe City Bible Church, announces a daily vacation Bible school to be held in the Community Hall for all children of the area. Two schools have been planned. One beginning on Monday, July 8, for those who are four years old and up through the fourth grade. This session will close July 19. Beginning July 22 through August 2 is a session for youngsters who are in the fifth grade and on up including high school. The daily school will be held each week day day at 1 o'clock until 3:30. The teachers are Miss Caroline Hansen from Santa Cruz and Miss Marianne McDougald from Portland, Ore. Miss Hansen is a registered nurse, a graduate from the Lutheran Deaconess Hospital in Chicago, and received her Bible training at Prairie Bible Institute in Three Hills, Alberta, Canada. Miss McDougald has attended Antioch College and is a senior at Multnomah School of the Bible in Oregon. Both these girls are looking forward to missionary service with the China Inland Mission.

Move House

Al and Jean Henry's house is finally settled on its new lot on Fairway Drive and looks as if it belongs there. This creaking moving of a house is no fun but the results look worth it. The family hopes to move in this week.

Fireworks

The firemen have made their final purchase for the fireworks for the glorious Fourth and promise a more splendid spectacle than ever. More pyrotechnics than the eye can count will be shot off from in front of the new Marine Lodge. Two waterfalls will be in evidence and close to a hundred skyrockets. The display will go out directly over the lake rather than from the pier and across as has been the custom. Last year a traitrous offshore breeze brought one skyrocket thrillingly close to the Commons and though, not dangerous, somewhat frightened a large group of spectators.

Swim Program

The swimming program begins July 8. Mrs. Gladys Pedley, safety chairman of the California Federated Women's Clubs, is in charge of the new arrangements for the swimming classes.

Miss Betty Raker has been in charge of the class arrangements for several years and her departure from the high school has left a gap hard to fill.

Guests

Weekend gusets in the Charles Neilsen home are Mr. and Mrs. Robert Marshall of Watsonville and their seven-year-old daughter, Roberta. Marshall is Mabel Neilsen's brother.

At Cooke Home

Miss Pat Ellis and Miss Judy Ranier, both from Danville, are guests in Mrs. Jane Cooke's home. The girls are working nearby and hope to spend the summer here.

Painting

Mrs. Harold Farr is choosing an active way to get teacher kinks out of her mind. She is painting the rear of the house to catch up with the rest. A fellow teacher and neighbor, Miss Geri Bean, has given her house a complete new face. The soft yellow looks very attractive under the green trees.

In Marysville

For the first time in many years the Bill Halls of Tahoma will not spend the entire summer here. They were up for a few days this week but could not stay because Frances' father in Marysville needs constant care which Frances shares with her sister. Forest Hall and his wife, Sue, are now in their home to stay.

Opens Home

Mrs. Quinn, mother of Tom Quinn, has opened their little house on Seventh street and is settled in for the summer.

Year Old

Saw Jim and Lucy Ansted's little year-old daughter, Charlene, for a moment the other morning. It is hard to realize it is a year since she was new. A beautiful baby.

AIR DORADO OFFERS DAILY FLIGHT TO BAY

TAHOE CITY—Daily flight service from Tahoe Vista to San Francisco bay area points, aboard a new Cessna-180 amphibian airplane, is being offered by Air Dorado, recently established San Francisco vacation airline.

Ludlow's Lodge is the departure point for Air Dorado flights not only to the bay area but to other western metropolitan centers and vacationlands, according to Dallas Masterson, president of the firm which has become known as "San Francisco's only downtown air service."

In San Francisco flights from Tahoe—flying time, one hour—the planes land at Pier 48, two blocks from the Southern Pacific depot in San Francisco and five to 10 minutes from all of the city's major hotels.

Air Dorado is the only commercial amphibian air service with a base in downtown San Francisco. G. L. Fox, general manager of the San Francisco Chamber of Commerce, recently had this to say about the new facility:

"We heartily welcome this new service, which links us even more closely with the important Lake Tahoe vacationland."

Masterson said that complete information about the new service, together wth rates and schedules, may be secured through Ludlow's Lodge management.

TOM PUGH HEADS PLACER FAIR GROUP

ROSEVILLE — Tom J. Pugh, Roseville insuranceman, will head this year's Placer County Fair, scheduled August 8-11, it was announced by Les McClure, secretary-manager.

Pugh was elected president, succeeding David C. Hughes of Forest-hill.

Other officials are John Macario, first vice-president; David Fiddyment, second vice-president, and M. T. Mahan, treasurer. All are of Roseville.

Directors include Ray E. Taylor, Earl E. Barber, Dr. Louis E. Jones, Lou B. Allen, Joe N. Zanolio, and Charles W. Lauppe, all of Roseville; Neil F. Hulbert and G. O. Griffith of Auburn, Edward A. Grey of Lincoln, and George Hayashida of Loomis.

The world's record for Pacific sailfish was set at Galapagos Islands February 12, 1947; 221 pounds, 129 inches long.

TRUCKEE PUBLIC UTILITY DISTRICT
A Tax-Saving, Public Service Enterprise

NORTH TAHOE

By JUDGE HARRY CHARRISON

Jerry Rapisarda, recent addition to the deputy sheriffs in this area, and his pretty wife, Betty. Oh, yes, and three of the cutest girls you ever saw, have moved to a home at the top of Bear street, just a stones throw of Walt Bailey's new garage. And by the way, Betty is court clerk of the Tahoe Judicial District. Sure nice to have this fine family in our community.

Moved In

And while we are talking about sheriffs, Sgt. Bud Rabska of that department, has moved to the house on the fish hatchery property by Lake Forest. The hatchery, as maybe you are aware, has been taken over by the County of Placer. Here will rise the sub-station, which is so badly needed in the area with a court room and a few cells for our customers, and other offices. This is progress in a big way. And again Mrs. Angelo Chiaratti, another deputy's wife, has returned to Auburn for a short stay.

More Of The Law

The highway patrol, represented by Tom Sheehan and Bud Meixner are really going to town these days bending every effort to make the highways a safer place upon which to drive, so cooperate with these law enforcement officers, and take it easy.

A Last Farewell

One of the finest men that has been our pleasure to have known, has passed to his great reward, Loren P. Mosier, beloved husband of Vera Mosier, who passed away in Sacramento last Wednesday the 26th, with services being held in Sacramento on Friday. It was always a delight to meet with friend Loren, friendly and happy. For the past year or two, Loren and Vera have traveled most of the world, but it was a happy moment for Loren to come back to his love, Lake Tahoe. To say that he will be missed is very short of the fact. He was very much community minded and a good church member. Our sympathy is extended to Vera and family.

Proponent

Just had a visit from the John Dixons of Crystal Bay. They are back from a visit to Encinado, Mexico, and spent most of the winter in Santa Barbara. John was one of the main proponents of having the Truckee shortcut widened and and put into a state highway, it looks as though his dreams will come true.

Balmy Weather

Today, Sunday, as yesterday, is delightful. Quite hot pretty well everywhere but here at 3 p.m. the temperature is 70 with a beautiful breeze just made to order. We sure are lucky here at the lake, especially when we hear of the extremely hot spells elsewhere over the nation and Europe.

Doing Swell

I failed to say that Connie Throop (now Mrs. Gerald Johnstone) graduated from Humboldt State College recently with excellent grades, and in the fall will teach the fourth grade at the Lake Marina Terrance School. While her dad is with the Dodd Realty in Kings Beach, Gerald, her husband, is in the nursery business. William Bedner, a broker from Oakland, is also with Dodd. The Throops had a visitor in the person of W. C. Flannery. Bill was formerly with the North Shore Hardware when Jack Heffernan was there.

Getting Better

Very happy to know that Ruth Mizner is home, and according to Timmie, her son, she is coming along very well. We all feel sure that she will soon be well again and we are pulling for you, Ruth. I understand that daughter Gwenie is nursing you. Good for her.

Something New

Well, the new lodge in Tahoe Vista known as the Cottonwood Lodge is all ready to go. It is beautiful with a natural pond in the center. The Horseshoe Lodge has already had their grand opening of the new swimming pool. It is a beautiful sight, too.

Amazed

Saw Marie Hart a few days ago taking a look around the golf course on her way up. She wondered how much building had gone on. On her way back she told me she was amazed thatthere was hardly a lot left vacant. It's getting that way all around the lake now.

At Chalet

I hear that Shamus Baker, formerly with the Crystal Bay Club, is now at the Sierra Lodge and Johnny Rhodes at Eugene's Chalet at Crystal Bay and both are bartending.

Well, I Never

I could say I am very happy, and yet we are going to miss them around the highway. What I am about to say is that Otis and Kay Wing have sold their property known as the Wing Chateau Motel on Highway 28. The family has been there for the past 12 years. Each of those years was spent, in Otis' spare time, that is, in building until they accomplished what they had hoped for all those years. I hear the lucky purchasers are the Thorwaldsons who already have a lodge in the area. Kay informs me that they have no intention of moving away, but when the right lot is found, they will build a nice comfortable home off the highway some place.

Lions

The Lake Tahoe Lions Club had a swell barbeque at the grounds of the Walt Speeters in Carnelian. It was a ladies' night too, and among the invited guests, were Mr. and Mrs. Bud Rabska, Angelo Chiaratti, and Mr. and Mrs. Jerry Rapisarda, all deputy sheriffs and Constable Harry Johanson.

Wedwding

A pretty wedding was solemnized at our home late last Monday night, when Ronald Romaine Wormuth and Patricia Koch of San Francisco took the marriage vows. They were to honeymoon here and then return to San Rafael.

TAX INCREASE FOR PLACER OPPOSED IN GROUP SESSION

TAHOE PARK—The annual meeting of the Lake Tahoe Association was held Sunday to formalize protests against a 300 percent increase in Placer County taxes for the community beach which is the main concern of the local association of property owners.

Taxes which last year were $280 were increased this year to $860 in line with re-evaluation of property within the county. In addition to the upward re-evaluation which is general in the county this piece of community beach was reclassified residential beach frontage even though the deed of trust under which the association hold title "in perpetuity" will not allow sale or other normal uses.

The association, a non-profit group of property owners within Tahoe Park, voted to file a formal protest with the Placer County Board of Supervisors and to appear at the July meetings on the 8th, 15th, 22nd and thereafter if necessary."

A unanimous vote authorized the board of direcors to raise the dues from $5 to $12 on improved lots and from $1 to $3 on unimproved lots if that becomes necessary to pay increased taxes and to carry on normal upkeep and improvements at the beach.

The group also voted to petition to court for permission to lease two highway frontage lots in a commercial zone to private parties in order to help defray expenses of keeping up the beach and paying taxes and insurance.

Officers for the ensuing year are: A. J. Caton who replaces Ernie Pomin as president. The other officers served last year in the same capacities. Vice-president is Max Bretzfelder; secretary, Mrs. Thompson; treasurer, Mrs. Friday. Ernie Pomin was elected a board member.

Catholic Summer School Closes With Communion

The Catholic summer school at Tahoe City conducted by the Dominican Sisters of San Rafael College ended June 23 with reception of first holy communion at 8 o'clock mass at Corpus Christi Church. Sister M. Aquin, Sister M. Bennett, Sister M. Carl, Sister M. Damien supervised the school with the assistance of some of the mothers of the more than 100 pupils who attended the sessions.

Father Patrick O'Neill of Assumption Church and the lake area wishes to thank all who assisted in making the school a success.

Mesdames A. Ayala, Edward Androus of Truckee and Miss Ann Murray of San Leandro who is a teacher vacationing at the lake and Father Charles McKee of the University of San Francisco and James Aylward of San Francisco were among those who conducted the sessions. The latter is a cousin of Father O'Neill, preparing for the priesthood.

The children receiving first holy communion from Tahoe City and Kings Beach are Barry Bradley, Edward Gill, Acky Clother, George Speeter, Tommy Carnell, Jimmy Bechdolt, Kim Marvin, Dick Pomin, Mike Cook, Martha DeGregorio, Sharon Decker, Pamela Bradley, Anna Marie Conners, Cindy Hiatt, Diane McBride, Cathy Barrett. From Truckee and Floriston, Bruce Ayala, Marian Ayala, William Cardinal, Linda Giovannoni, Henry Frates and Susan Schuler.

A special confirmation class was also conducted by preparation for confirmation which will follow next October by Bishop McGucken of Sacramento.

Advertising Men Urged To Profit By Olympics

SACRAMENTO—Northern California was given this advice:

Get busy right away on a promotional campaign for the 1960 Winter Olympics tourist trade or Nevada will get the bulk of it.

The counsel came from Ted Bagglemann, a past president of the Sacramento County Historical Society, in an address to the Sacramento Advertising and Sales Club.

He said the games at Squaw Valley in the high Sierra near the Nevada stateline will draw some $11,000,000 in tourist spending.

Bagglemann warned that Reno, Carson City and Virginia City already are expanding their tourist headquarters in anticipation of the huge influx of visitors for the games.

Sacramento in particular should take the lead in blowing the horn for California, Baggelmann said.

Telephone Personnel At Tahoe Enjoys Occasion

TAHOE CITY — Most enjoyable was the occasion shared by employes of the local commercial office of the telephone company with officials of the Northern District as "Ma Bell" played host of the evening on Friday last. The dinner was given as a special tribute to the Tahoe City group for excelling in outstanding records in various departments. Present for the dinner at Forest Inn on Ward Creek were W. E. Williams, division manager of Sacramento, and wife, R. B. Scott, Jr., district manager from Marysville; Gary Warner, Sacramento; George Selkirk, local manager of the business office, and wife; Mr. and Mrs. George Minasinin, Sacramento; Mr. and Mrs. George Mead; Mr. and Mrs. Frank Daft; Mr. and Mrs. Walter Gehlert; Mrs. Jeannette Mitchell, all of Tahoe, and Miss Evelyn Gastineau of Woodland.

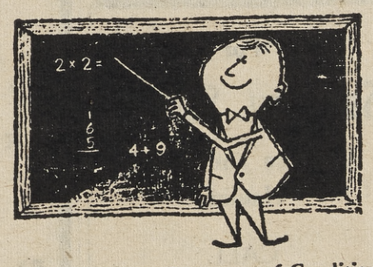
THE STORY BEHIND THE FIGURES



As shown in our June 30, 1957 Statement of Condition, Bank of America's resources have climbed to $10,028,279,418—leading those of any other banking institution by a wide margin.
This figure represents the combined financial strength of the hundreds of individual neighborhood Bank of America branches throughout California—each branch an integral part of its own community and dedicated to providing banking service *for all depositors, regardless of size.*
Serving the many, the idea upon which Bank of America was founded more than 50 years ago, has proved itself in the millions of small deposits which today make up BofA's record-breaking resources.
DOLLARS AT WORK

All Bank of America's resources are busy—through this branch and other branches throughout California—making loans to business and industry, loans to farmers, homebuilders, and providing needed dollars for every worthwhile purpose. Some of this money goes for school and municipal bonds—some goes for United States Government Bonds, but every cent contributes, in some way, to building California and serving you.
B of A Quiz Corner
DID YOU KNOW THAT Bank of America offers you a total of more than 50 different banking services—many of them unique with Bank of America? Whatever your banking needs—large or small, business or personal—you will find us ready to meet them with the prompt, friendly service Californians can always expect at Bank of America.

The United State's consumption of plywood has increased 20-fold in the past 20 years.

Santa Clara County's 1955 mineral production was valued at $21,393,214.

Save 10% on all Standard Roof Coatings!

By taking delivery before the end of August, you can save 10% on any of the complete line of Standard Roof Coatings. These easily applied coatings add extra years of life to roofs of all types.

Standard Aluminum, Asbestos, and Asphalt Coatings included in this offer may be used on prepared-paper, saturated felt, and metal roofing. They are also suitable for brick, stucco, concrete, and structural steel. Now is the best time to apply roof coatings, so order today and save 10%.

TIMELY TIPS

by MRS. MARIE HENRY

During an emergency drink only water or other liquids that you know are safe. Store right now the extra drinking water that your family might need. Don't wait for an emergency! Know how to turn off the water service valve if necessary, and learn where to get water for emergency drinking, cooking and washing if your outside supply fails. Be prepared to purify water for drinking purposes in your own home, if necessary. There are four methods—boiling five to 10 minutes, two to three drops of iodine per quart of clear water, by purification tablets, and by chlorination. Learn the details of purification in advance.

* * *

TAHOE CITY—Lake Tahoe residents and visitors to our shores will again be treated to a gala display of fireworks once again this year, according to Volunteer Fire Department Chief Al Henry and his assistants, Bill Bechdolt and Basil Kehoe. Other volunteer firemen leading a hand to make the celebration a bang-up success are Messrs. Wendell Dunn, Kenneth Dunn, Tony Donadio, Charlie Cross, Jr., Bob Stark, Dick Carnell, Pete Vanni, Martin Spitsen, Bob Jorgensen, Bob Pomin, Harold Farr, George Boyle and Don French.

It is estimated that close to 50,000 attended last year's event. Extra patrolmen from the county sheriff's offiee and highway patrol will be on hand to handle the terrific crowds. A "repeat" is anticipated again, and watchers are urged to come early to get good points of vantage. The displays starts at 9 p.m. and the Tahoe Commons is the place. Forest service tankers will stand by for emergencies.

The fireworks are shot off from a barge anchored in the water off shore, with large illuminated displays such as the American Flag, and others, bringing up the tailend of the show following the giant skyrockers, sparklers and colored lights. Water skiers carrying flaming torches entertain in between. Parents may purchase sparklers for the youngsters which are permitted on the Commons only.

So strick have regulations become this year in order to prevent any chance of fire in our beloved lake area that the Volunteer Fire Department and the service clubs which help sponsor the popular event, were required to take out $10,000 liability insurance. This little item added another $100 to the cost of staging the show, and Chief Al Henry declared today that unless enough money could be collected through volunteer donations to defray the cost of the big annual display, it might have to be abandoned in the future. Cost will run around $1000, and firemen and their helpers will move among the crowd in an effort to collect money expended. Give what you can!

* * *

And while we are writing of the hazard of fire at Tahoe this might be a good time to remind local residents of fire prevention regulations for the current summer season. Here for using your incinerator, for which a burning permit must be secured. These permits can be had from Al Henry at Tahoe City garage in the Tahoe City area; from the William Kent Campgrounds for the district from Tahoe City for Ward Creek, and from Patrolman Russ Howe for the area from Ward Creek to New Chambers' Lodge. He is stationed in atrailer behind Smith's Coffee Shop, near Tahoma. Burning is permitted from 5 to 9 a.m. and from 7 to 10 p.m. only, with no open burning allowed at any time. A watchman should be present during the burning period and your incinerator must be fitted with ¼-inch screen mesh top over a metal drum. A hose of five gallon container of water should be kept handy and all inflammable material should be cleared for 10 feet distance from the incinerator.

Camp only in designated areas, picking a safe place on level ground for your fire or portable stove away from steep slopes, or rotted logs. Clear to bare dirt a circle 10 feet in diameter and keep your fire small. Build no pine fires on windy days. Do not leave your fire unattended at any time, and when extinguishing mix the coals with water and wirt. If you smoke do so only in cleared areas; break your match in half before throwing away, crush your cigarette or cigar or pipe ashes into bare ground and cover them with dirt. Do your part to keep California green.

Frank Daft of Pineland has certainly had a run of bad luck during the past few months. He was in Tahoe Forest Hospital twice with pneumonia, and then was readmitted when he injured his back while working for the highway department. Thursday he came home to Tahoe to see his wife and two litle daughters for a brief visit before being driven to Washoe Medical Center in Reno on Sunday. Here he will undergo further treatment for several weeks before Dr. Mack operates on a faulty disc in his back. Here's hoping Frank this will be your last siege of illness for a long time to come!

* * *

Prominent California medicos and their wives who attended the recent medical convention at Tahoe Tavern who were guests at Sanford's Town and Country during their stay included Dr. and Mrs. Van Kaye, Dr. and Mrs. John Lanier, Dr. and Mrs. R. S. Calkins and Dr. and Mrs. F. Lord, all of Riverside, and Dr. and Mrs. A. Grouse of Sacramento.

Mr. and Mrs. Al F. Sanford on June 11th observed their 27th wedding anniversary by enjoying, with Mrs. Yvonne Bechdolt, dinner at the Riverside.

Mrs. Gerald Waters recently left Tahoe in a snowstorm for an extended vacation in Texas. She was accompanied by her daughter, Mrs. George Marshall and children, Susan and Gerald of San Francisco, and Mrs. Tom McGruder of Novato. Despite tornado threats all around Texas they had perfect driving weather the entire rip. In Nacogdoches they visited Evie's 85-year-old mother, Mrs. Laura Reese, who has been in increasingly ill health, and is now in the hospital. They also were guests of Mrs. Water's daughter, Mrs. Wilbur Mahaffey and family, and Mrs. Water's daughter, Mrs. Tony Degelia, and family in Dallas, and Evie's oldest sister, Mrs. James Lilly and family in Baytown. In Nacogdoches they were just in time to witness the wedding of Evie's niece, Laura Lee Johnson to James Horn, the young couple now making their home in Gladewater. She reports their Truckee River resort, Deer Park Lodge, teeming with summer visitors.

Highly successful was the annual bazaar held in Tahoe Community Hall on Saturday from 10 a.m. to 4 p.m., according to Mrs. Don Snyder, president of the Women's Club of Tahoe, who sponsored it, and Mrs. A. A. Snyder, bazaar chairman. Sincere appreciation is extended by Mrs. Don Snyder and Mrs. A. A. Snyder, all who worked so hard to make the bazaar the success it was, and to the public for their cooperation as well. Ladies who assisted Committee Chairman Mrs. A. A. Snyder included Mesdames Stella Watson, Ernest Le Pire, Bert Anderson, Phil Geier, George Selkirk, Ivan Wilson and Richard Taylor.

* * *

Bill Hunter of Bacchi's Inn, Lake Forest, was taken to Tahoe Hospital in Truckee for a medical check-up on Thursday last.

Mrs. H. H. Youman of Roseville and Mrs. Anna McKeever of San Francisco were overnight guests at the home of Mrs. Jeannette Mitchell in Sunnyside on Saturday.

* * *

The Ali Sigurdsons and son, Siggi, are greatly enjoying their first summer in America for years to the Nth degree! Back in Iceland where he was born Siggi learned to swim in heated pools. At Tahoe he is taking the 40 degree water like a veteran and is thrilled. The whole family is acquiring enviable tans. Strange to Siggi also was hamburger, the good old American standby. He had never tasted it before, but he loved it. Alice, who has been a commercial artist for years, wrote the following after a hectic ride with her sister and brother-in-law, the Norman Dewhursts, over rough but beautiful Tahoe terrain, "Overhead the sunshine burns below the water's deep, swiftly Dewey takes the turns in a skyblue jeep!" Tahoe brings the artist out in all of us!

CAMP PAHATSI FOR SCOUTS IS OPENED

Under the leadership of Stan Wright, council chairman of the camping and properties committee, assisted by members of the Order of the Arrow, readied Camp Pahatsi near Soda Springs for the summer Boy Scout program.

The first period of summer camp will start Sunday, July 7, under the leadership of Bob Fitzpatrick, camp director. Troop 29 of Rocklin and Troop 21 from Applegate have made reservations for the first period.

It was announced by the camp director that the second and third periods of camp are completely full and two troops have indicated by reservation their attendance at the fourth period.

Bill Francis, Jr., from San Diego State College, is now attending the National Aquatic School in preparation for his serving as waterfront director at Camp Pahatsi. It was also announced that skilled personnel from Stead Base will serve on the summer camp staff with the other adult leaders of the council.

SAW CONTEST TO BE FEATURED BY WRAY

Robt. J. Wray of Tahoe City, local Homelite chain saw dealer, announces a big, new Homelite "Power Twins" contest to introduce two new Homelite chain saws—models 6-22 and CZ-6. Called the "Power Twins," both chain saws have six horsepower engines—the SZ-6 is a direct-drive, 19 pound unit; the 6-22 is a great drive, 22 pound saw.

Grand prize in this "Power Twins" contest is a new Homelite chain saw every year for life. In addition a new EZ-6 or 6-22 chain saw will be given away by the Homelite district office. Wray also will give one at an open hour later in July.

According to Wray, the only requirement to enter the contest is to come into his store at Tahoe City and have a free demonstration of either of these two new Homelite chain saws. The contest will last 90 days, beginning July 1, 1957.

RAISE FOR OFFICERS MAY ADD CANDIDATES

The state personnel board's recent action raising starting salaries for state traffic officer from $395 to $436 a month is expected to attract more and better qualified candidates to the California Highway Patrol and accelerate recruitment of 300 new officers, according to John K. McKay, state recruitment chief.

McKay also reminded interested persons that applications for the forthcoming state traffic officer examination must be filed by July 12, 1957. Applicants must be United States citizens between the ages of 21 and 31, in sound physical condition, not less than five feet nine inches and not more than six feet six inches in height. Graduation from high school and California residence are also required.

LAHONTAN BOARD HOLDS TAHOE MEET

TAHOE CITY—The 29th regular meeting of the Lahontan Regional Water Pollution Control Board was held in the Community Center Hall here Thursday, with an agenda covering as far south as San Bernardino County.

Of local interest was the morning and afternoon discussions on sewage disposal facilities of Tahoe City Public Utility District.

At the morning session C. W. Vernon, manager of the P.U.D., outlined plans for acquiring more land for immediate and future needs but was asked to have the entire board of directors present at the afternoon meeting.

After lunch the directors were advised by J. T. Leggett, executive officers of the pollution control board, that inadequate land for sewage disposal has existed for several years. He commended the directors for what had been done in trying to correct the situation but he said his board cannot approve any plan for improvement unless recommended by a sanitary engineer. After a roundtable discussion on the matter the directors agreed to engage the sanitary engineering firm of DeWante and Sotwell of Sacramento to make the study of adequate sewage disposal. This engineering firm is now in the process of a preliminary survey for extending sanitary sewer service to residents of Fairway Drive which was not included in the 1952 project to supply Tahoe City with sanitary sewer service.

Included in the P.U.D. board of directors attending the meeting were Bill Bechdolt and Al Henry, recently appointed to increase the number of directors from three to five in accordance with the May 7, proposition on the ballot for the election of directors.

More rice is shipped over the wharves at San Francisco than is grown in China.

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS

DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received by the Department of Public Works, Division of Highways, at the office of the District Engineer, 703 B Street, Marysville, California, until 10 A.M. o'clock on July 18, 1957, at which time and place they will be publicly opened and read, for performing work as follows:

Nevada County, in Donner Memorial State Park, about two miles west of Truckee (III-Nev-State Park), approximately 0.7 mile of roadway to be shaped, compacted and surfaced with plant-mixed surfacing.

Plans and specifications, and forms of proposals, bonds, and contract may be obtained at the above address.

No bid will be considered unless it is made on a proposal form furnished by the District Engineer, and is made in accordance with the provisions set forth under Section 2, "Proposal Requirements and Conditions," of the Standard Specifications. Each bid must be accompanied by a proposal guaranty in accordance with the requirements of Section 2, article (g), of the Standard Specifications.

The Department of Public Works reserves the right to reject any or all bids.

The quantities listed in the State Highway Engineer's Estimate hereinafter stated, are approximate only, given as a basis for the comparison of bids, and the Department of Public Works does not, expressly or by implication, agree that the actual amount of work will correspond therewith, but reserves the right to increase or decraese the amount of any class or portion of the work, or to omit portions of the work, as may be deemed necessary or advisable by the Engineer.

Bids are required for the entire work described herein.

In accordance with the provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows:

Rate per hour	CLASSIFICATION
$2.75	Apprentice (oiler, fireman, heavy duty repairman helper)
2.755	Asphalt ironer and raker
2.48	Bootman
2.505	Flagman
3.33	Heavy duty repairman
2.505	Laborer
3.55	Power blade operator
2.325	Road oiler
3.30	Roller or self-propelled compactor operator
3.33	Tractor operator (dozer, scraper, compacting equipment and push cat)
2.325	Truck driver (less than 4 cubic yards water level)
2.465	Truck driver (4 cubic yards and less than 6 cubic yards water level)
2.625	Truck driver (6 cubic yards and less than 8 cubic yards water level)
2.85	Truck driver (8 cubic yards and less than 12 cubic yards water level)
2.85	Truck driver (12 cubic yards or more water level)
2.50	Water truck driver—under 2500 gallons
2.60	Water truck driver-over 2500 gallons

Any classification omitted herein not less than $2.325 per hour.

Overtime—not less than one and one-half (1½) times the above rates.

Sundays and holidays—not less than one and one-half (1½) times the above rates. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.

STATE HIGHWAY ENGINEER'S ESTIMATE

Item 1. 40 thousand gallons furnishing and applying water.
Item 2. 35 stations shaping and compacting roadway.
Item 3. 8 tons liquid asphadt, SC-2 (prime coat).
Item 4. 800 tons plant-mixed surfacing.

Frank Giovannoni was operated upon in Reno Wednesday for an injury to his knee sustained while ice skating last winter.

FRED BAKER PRESIDES AT ROTARY MEETING

KINGS BEACH — Fred Baker presided for the first time at the meeting of the Brockway Rotary Club Monday. After the introduction of guests, the meeting was turned over to Program Chairman Wiley Jones who introduced Bill Wichers, a wholesale liquor company representative who presented the film story of American Whiskey.

Many interesting and instructive programs are in store for members and guests of the club during the summer.

Street signs purchased by the club are in Auburn and soon will be erected by the county.

Linda Stout is spending the summer in Truckee. Her home is at Auburn.

BUDGET MATTERS ARE GIVEN NOD BY BOARD

In Friday afternoon's meeting of the Nevada County Board of Supervisors the budgets for several departments were approved.

Approval as amended was the budget of Agricultural Commissioner Leonard Lageson which was increased from $9422 to $14,272 to include the salary of an agricultural inspector and the purchase of weed spraying equipment. Also $600 was added to the budget of the Grass Valley Judicial Court.

Accepted as proposed was the $3625 budget for the Agricultural Extension Service; $3360 for predatory animal control; $3466 for the Office of Civil Defense; $14,033 for the Health Department; $4800 for the examination and care of the insane; $1100 for the burial of indigents and veterans; $10,540 for the Veterans Welfare Office; $300 for Vital Statistics; $80,000 for tubercular care; $15,060 fo rthe probation office; $4350 for the careof wards of the Juvenile Court; $400 for reform schools; $2500 for the care of the feebleminded; $3379 for the Nevada City Veterans Memorial Hall; $2200 for the Truckee Veterans Bemorial Building; and $286,378 for the county hospital.

NATIONAL FOREST TIMBER FOR SALE

Oral auction bids will be received by the Forest Supervisors, U. S. Forest Service, Nevada City, California, beginning at 2:00 p. m., August 5, 1957, for timber offered for sale in the Juniper Unit, Tahoe National Forest. Each bidder to participate in the oral auction, must submit a sealed bid to the above address prior to the time set for the beginning of the oral auction. A certified or cashier's check, bank draft or money order in the amount of $5,000.00 must accompany each bid to be applied on the purchase price, refunded or retained in whole or in part for actual or liquidated damages in accordance with the provisions of the bid. Sealed bids will be opened at 2:00 p.m. and those which meet the requirements in the advertisement will be considered the equivalent of an oral bid and will be posted for the information of all bidders. The offering is for all live and recently killed (sound sapwood) timber, marked or designated for cutting and removal prior to December 15, 1958, estimated to be approximately 1,570 M feet b. m. of ponderosa pine, western white pine, lodgepole pine, white fir, and red fir, on an area embracing about 480 acres within Sections 2 and 12, T. 17 N., R. 17 E., Section 34, T. 18 N., R 17 E., and Sections 18 and 30, T. 17 N., R. 18 E., M.D.M. In addition, there is an estimated volume of older-dead (unsound sapwood) timber on the area, the cutting and removal of which will be required. The minimum acceptable bid price for the live and recently-killed timber is: For ponderosa pine $27.30 per M feet b.m. which includes a base rate of $11.40 for stumpage plus an additional $13.15 for stumpage, a required deposit of $1.75 for sale-area betterment and a required deposit of $1.00 per M feet b.m. for slash disposal. For western white pine $22.50 per M feet b.m. which includes a base rate of $9.00 for stumpage plus an additional $10.75 for stumpage, a required deposit of $1.75 for sale area betterment and a required deposit of $1.00 for slash disposal. For lodgepole pine $6.00 per M feet b.m., which includes a base rate of $0.75 for stumpage plus an additional $2.50 for stumpage, a required deposit of $1.75 for sale area betterment, and a required deposit of $1.00 for slash disposal. For white fir and red fir $6.70 per M feet b.m., which includes a base rate of $0.50 for stumpage plus an additional $3.45 for stumpage, a required deposit of $1.75 for sale area betterment and a required deposit of $1.00 for slash disposal. The prices bid for stumpage for live and recently-killed timber shall be considered as tentative rates subject to quarterly calendar adjustment upward or downward by 0.5 of the difference between the average of the Western Pine Association lumber price indexes, as calculated by the Forest Service at the end of each calendar quarter, and the base indexes which are the arithmetic averages of the Western Pine Association lumber price indexes for the months of June, 1956, through May, 1957. Such adjustments in price for stumpage shall be applicable to timber scaled during the calendar quarter for which the adjustment is computed. In no event, however, shall the adjusted stumpage rates for each quarter be less than the base rates as stated above. The merchantable volume of older-dead (unsound sapwood) timber will be paid for at the following rates which will not be subject to quarterly calendar adjustment: For ponderosa pine $13.15 per M feet b.m. For western white pine $11.25 per M feet b.m. For lodgepole pine $3.00 per M feet b.m. for white fir and red fir $2.85 per M feet b.m. The right to reject any and all bids reserved. Before bids are submitted, full information concerning the timber, conditions of sale and the submission of bids should be obtained from the District Ranger, Truckee, California, or the Forest Supervisor, Tahoe National Forest, Nevada City, California.

CHURCH NEWS

Sunday, July 7, the Sacrament of the Lord's Supper, at the Community Methodist Church, 11 a.m. service. All are welcome! Rev. Aubrey H. Clark, acting pastor, is ready to serve you in any way that he can. Call him for an appointment. LUther 7-3637.

Watch for the date!

A committee of the Methodist Youth Fellowship is planning a party to be given soon. Place and date to be eannounced.

Dorothea Frey is chairman of the committee.

New officers are to be elected.

Mahnes Here—
Mr. and Mrs. Anton Mahne of Sacramento arrived in Truckee last week for an indefinite stay.

From Capital—
Mr. and Mrs. Robert Leamon and children returned from Sacramento Sunday where they had been the guests of Mr. and Mrs. Charles Walker.

Cavitts On Ranch—
The William Cavitt family of Loomis have returned to their local ranch for the summer.

In Athens—
Mr. and Mrs. Jack Wolert have been continuing their exploration of Europe in their car, Athens included in their most recent sightseeing tour.

Fourth Grandson—
E. D. Sullivan returned from Sacramento Friday where he became acquainted with his fourth grandson, who arrived on June 26. Mr. and Mrs. E. J. (Mike) Sullivan are parents of the little boy.

NOTICE

The preliminary budget for the North Tahoe Fire Protection District has been fixed at $30,000.00. Copies are posted at the various post offices for interested taxpayers. Final action on budget will be taken Wednesday, July 17, 1957 at 8 P. M. at the office of the Sur-Mar Market at Carnelian Bay for the purpose of fixing final budget and for the purpose of hearing any taxpayer who may appear to oppose any item of said budget or for the purpose of opposing any inclusion or omission or for the proposing any inclusion or omission.

At Donner—
Mr. and Mrs. Glenn Kimerer of Live Oak have been occupying their house at Donner Lake. Also at Donner Lake is the Ray Hackett family from Oakland.

In U. C. Hospital—
Mr. and Mrs. N. F. Dolley left Tuesday evening for the University of California Hospital in San Francisco where Mrs. Dolley is undergoing treatment.

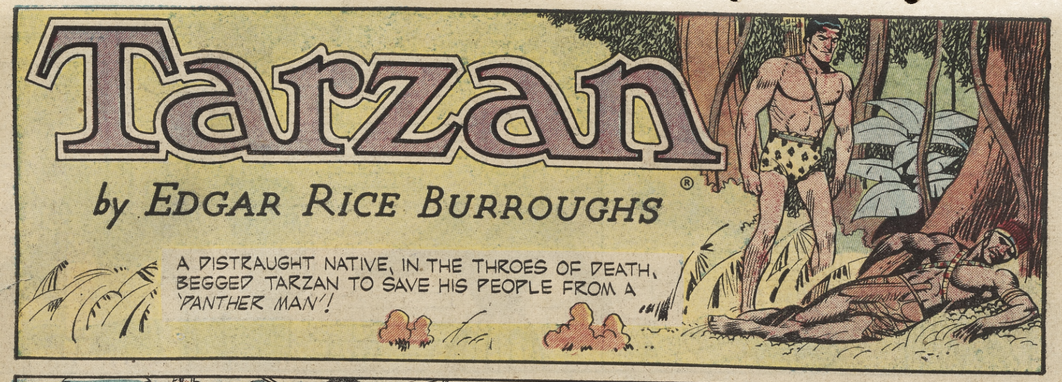
Tarzan®

by EDGAR RICE BURROUGHS



A DISTRAUGHT NATIVE, IN THE THROES OF DEATH, BEGGED TARZAN TO SAVE HIS PEOPLE FROM A 'PANTHER MAN'!
TARZAN QUICKLY BACKTRACKED THE WARRIOR'S SPOOR TO A SEEMINGLY DESERTED VILLAGE.
HE SOON FOUND OUT, HOWEVER, THAT THERE WERE INHABITANTS IN THIS SILENT COMPOUND.
"I AM SORRY," SAID THE LEADER, "BUT WE MUST HOLD YOU PRISONER-- IT IS THE WISH OF THE DEVIL."
"WHERE IS THIS APPARITION?" TARZAN ASKED. THE CHIEF SHUDDERED. "HE IS NO APPARITION-- LOOK IN THE HUT FOR YOURSELF!"
TARZAN PEERED INSIDE, GASPING-- FOR HERE INDEED WAS GRIM REALITY IN THE FORM OF A VICIOUS BLACK PANTHER!

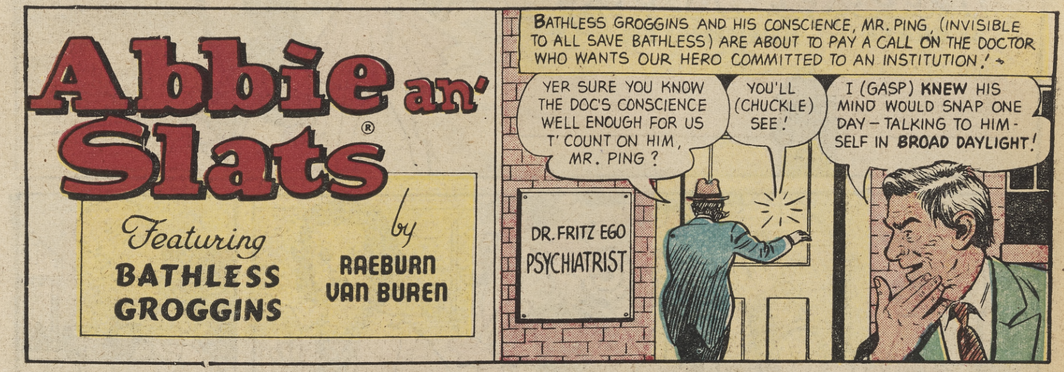
Featuring BATHLESS GROGGINS

by RAEBURN VAN BUREN



BATHLESS GROGGINS AND HIS CONSCIENCE, MR. PING, (INVISIBLE TO ALL SAVE BATHLESS) ARE ABOUT TO PAY A CALL ON THE DOCTOR WHO WANTS OUR HERO COMMITTED TO AN INSTITUTION!
YER SURE YOU KNOW THE DOC'S CONSCIENCE WELL ENOUGH FOR US T' COUNT ON HIM, MR. PING?
YOU'LL (CHUCKLE) SEE!
I (GASP) KNEW HIS MIND WOULD SNAP ONE DAY - TALKING TO HIMSELF IN BROAD DAYLIGHT!
DR. FRITZ EGO PSYCHIATRIST
WHEN DID YOU COME IN - AND HOW DID AN OLD BUM LIKE YOU GET IN?
WATCH YOUR TONGUE, PILL PEDDLER. AFTER ALL, YOU'RE NOT CHATTING WITH JUST ANY OLD BUM!
DO YOU CLEAR OUT OF HERE - OR DO I CALL THE POLICE?
THAT'S A LAUGH! IMAGINE - YOU THROWING ME OUT!
THROW THAT HUNK OF HUMAN FLOTSAM OUT OF HERE, NURSE!
W-WHAT HUNK OF HUMAN FLOTSAM, DOCTOR?
DON'T ARGUE WITH ME - THROW HIM OUT!
SAVE YOUR (CHUCKLE) BREATH, DOC - SHE CAN'T SEE NOR HEAR ME. ONLY YOU CAN!!
YOU MEAN (GROAN) YOU'RE MY?
YOU GOT IT, PAL - I'M YOUR CONSCIENCE! EXACTLY THE SAME TYPE AS THE CHARACTER BATHLESS GROGGINS CLAIMS HE SAW!
I THINK HE'S ABOUT READY TO SEE US NOW, GROGGINS!!
PRVIATE
7-7
THAT'S CORRECT, MISS GROGGINS. YOUR FATHER IS (GROAN) AS NORMAL AS I AM! THERE'LL BE NO NEED TO COMMIT HIM!
BE SEEIN' YOU, PAL!
ONLY WHEN IT'S NECESSARY, MY FRIEND!
